This course is appropriate and adaptable to school based training with students and staff.

Description

Many schools have Kar2ouche. Some were purchased using E-Learning Credits. Titles like Creative Writing (Pri) or Macbeth (Sec) are common in Schools, rarely used as staff are not aware of the 3D potential of Kar2ouche. Regardless of content this workshop 'unlocks creativity' & the understanding of how Kar2ouche can be used to support learning using some of the many curriculum titles.

kar2ouche®

Aims to :-

- Design 3D Storyboards.
- Choose story backgrounds. Manipulate characters and objects. Resize, pose or rotate.
- Access digital subject support text and sound then add it or your own to a Storyboard.
- Save as a Movie or design a Printout as a Poster or Comic.

Approach

A workshop based on almost any subject title that a participant wishes to bring along from the Kar2ouche collection. We will develop the structure and capabilities of Kar2ouche.
